

L550

The Epson L550 is a 4-in-1 with integrated ink system, ideal for home offices and small offices. With printing, scanning, copying and faxing functions, this model also features ADF, a two-line LCD screen, Ethernet connectivity and two extra bottles of black ink.

With Micro Piezo printhead technology and Epson genuine ink, you can easily print Epson-quality documents at an ultra-low-cost. In addition, the L550's 12 month (or 30,000 page) warranty, and service support, provides peace of mind and help if you need it.

The purpose-built ink tank is fully integrated into the printer, so you can enjoy reliable colour printing without the mess or hassle often associated with non-genuine refills and third-party ink tank systems. The Epson-genuine ink bottles make it easy to refill the ink tank with their clear labelling and drip-free nozzle.

The L550 is quick to set-up and use: simply fill with the ink supplied, turn the printer on and prime the ink system. Now the L550 is ready to print.

The L550 boosts your office productivity with fast print speeds of 9ppm*¹. The new multi-copy function also allows you to copy one page up to 99 times in a single go, making it ideal for creating documents quickly for meetings.

The L550 offers a low-cost per page for both black and colour printing, with each set of high-volume ink bottles capable of printing up to 4,000 pages in black and 6,500 pages in colour*².

The L550 has a 12 percent smaller footprint than previous models*³, and easily complements any work environment.

DATASHEET

KEY FEATURES

- **Multifunctional**
Print, scan, copy and fax
- **Value for money**
Purpose-built, refillable ink tank
- **Epson quality**
Fast printing and multiple copying
- **Compact design**
12% smaller than previous models
- **Print for longer**
Two extra black ink bottles
